

CERTIFICATE

The company

Weber & Heusser GmbH & Co. KG
Lauterbachstr. 19
Postfach 205
72459 Albstadt - Lautlingen
Germany

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report ZH005 164606.1

for the following articles:

Yarns and plied yarns, made of cellulosic (including viscose of bamboo), proteinic and synthetic fibres as well as their mixtures, raw and dyed produced with fibres accepted by OEKO-TEX® having biological active or flame retardant properties (based on material pre-certified according to STANDARD 100 by OEKO-TEX®)

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 4, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 4 for baby articles.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate SXX 22822 is valid until 28.02.2021

Zurich, 05.02.2020
